Download BANano 4.07+

This is a standard paragraph, using default style

This paragraph will have a bigger font

This paragraph is defined as an array of elements to make it possible to restyle part of it and make it bigger than the rest.I'm loving this!

Column 1	Column 2	Column 3	Column 4

1. Item 1
2. Item 2
3. Item 3
4. **Item 4**

- Item 1
- Item 2
- Item 3

paragraph A
paragraph B
these paragraphs will be rendered one below another inside the column
